The William B. Cramer Medical Staff Equipment Endowment

William B. Cramer, Esq. holds a distinguished record of tireless and selfless commitment to the community and Pocono Health System. The hallmark of Mr. Cramer's dedication is his more than six-year tenure as the inaugural Chair of the Pocono Health Foundation.

Under Mr. Cramer's leadership, philanthropic support of the Pocono Medical Center grew exponentially; as evidenced by the creation of the ESSA Heart and Vascular Institute and the Mattioli Emergency Center. In keeping with this legacy of leadership and forward-thinking, the endowment that now bears his name empowers other leaders, our physicians, to acquire life-changing equipment that saves lives and improves the quality of care at Pocono Medical Center.

With your support, The William B. Cramer Medical Staff Equipment Endowment will continue to advance the mission of Pocono Medical Center by enabling the medical staff to apply the latest science and technology at a bedside, where it matters most, right here in our community.
