The William B. Cramer Medical Staff Equipment Endowment Fund provides members of the Pocono Medical Center active staff an opportunity to submit a request for the purchase of medical equipment each year at PHS. All equipment purchased through the fund will be the property of Pocono Medical Center.

The grant is being funded by contributions designated to the William B. Cramer Medical Staff Equipment Endowment Fund.

The Fund is being overseen by a seven-person Advisory Board that includes the President and Chief Executive Officer of Pocono Health Foundation (PHF), three members of the PHF Board of Directors and three members of PMC’s Medical Staff.

Completed applications must be submitted to the Pocono Health Foundation by November 30th.
