Pocono Medical Center "The Heart of The Community" Liztech Pin

This custom handcrafted pin symbolizes Pocono Medical Center as "The Heart of the Community." The six-pointed star on the center stone represents the Medical Center's six service lines: Cardiovascular, Women and Children, Oncology, Primary Care, Musculoskeletal and Surgery. The gold sweep represents Pocono Medical Center's Pillars of Excellence: People, Service, Quality, Finance, and Growth. Like the sweep that supports the entire pin, the Pillars are the foundation of all that we do at PMC. Gold is the standard to which everyone is held. The smaller stones represent all the people that contribute to PMC's overall success. Pink is the color of love and kindness, which represents the compassion and care provided by Pocono Medical Center.

All proceeds from this sale will go toward the creation of PMC's new Neonatal Unit. If you would like to order a pin, please fill out this form and return it with your donation of \$52.00 per pin to:
